Dear Parents/Guardians,

In an effort to serve your child better in the afterschool program at his/her school, and to ensure that the program meets your child's academic needs, DCPS works with organizations that specialize in providing afterschool programs (Afterschool Providers). In order to more effectively tailor the afterschool program to your child's needs, further cultivate his/her strengths, and identify and develop areas where he/she is in need of improvement, DCPS would like to share certain student records related to your child with his/her school's Afterschool Provider(s). Under the Family Educational Rights and Privacy Act (FERPA), DCPS must first obtain your consent before sharing education records with the Afterschool Provider(s) at your child's school.

Please indicate below whether you consent to give the Afterschool Provider(s) at your child's school access to your child's demographic data, test scores, quarterly grades and, if applicable, Individualized Education Program materials. If you choose to consent to DCPS' sharing of this information about your child with the Afterschool Provider(s), you may request that DCPS provide you with a copy of the records disclosed. All staff members of the Afterschool Provider(s) with a right to access your child's education records have signed confidentiality agreements regarding the privacy of your child's education records.

_____ I **consent** to DCPS' sharing of my child's demographic data, test results, quarterly grades and, if applicable, Individualized Education Program with the Afterschool Provider(s) at my child's school for purposes of academic enrichment.

Evaluation Consent Form

Dear Parent/Guardian,

Your child is enrolled in Kid Power, an out-of-school time (OST) program supported by United Way of the National Capital Area (UWNCA). In order to monitor the effectiveness and progress of Kid Power and the UWNCA towards citywide youth outcomes, the UWNCA is conducting an ongoing evaluation study. It is the intention of this evaluation to learn how the provided services and activities benefit students, how the program can be continuously improved, and whether participation in summer programs in general helps keep students on a trajectory to graduate from high school and reach other goals.

Specifically the UWNCA asks permission from you, as parent/guardian, for a period of up to seven years, until your **Child's** projected date of college graduation to:

- Contact your child's school and obtain records showing their progress, including information about demographics, enrollment, grades, citywide test scores, and attendance.
- Track youth participation and services provided by UWNCA programming and participating district agencies.
- Talk to teachers and after-school staff about your child's progress and participation in the OST program, and review program records on participation in the program.
- Survey and/or interview you and your child about the OST program, the UWNCA, and its effects.

This is an evaluation of the youth progress in the city and the OST program funded by the UWNCA and is NOT an evaluation of your child. Any information we collect will be used ONLY to assess the OST program and citywide youth outcomes to track general group trends regarding progress toward graduation and other youth goals. Individual responses will not be made public. Participating in the evaluation will not affect your child in school, in the OST program, or in any other way. We will not use your name or your child's name in any report. At the end of the evaluation, the UWNCA and/or Kid Power will destroy all records that include personal information.

We expect that no harm will come to you or your child from participation in this study and it may benefit your child by providing opportunities, supports, and services that may enhance development. Participation in the evaluation is completely voluntary and participants may withdraw at any time with no consequences.

If you have any questions about the study, you may contact the UWNCA at grants@uwnca.org or grant@kidpowerdc.org.
